TERMS AND CONDITIONS

Credit

All invoices are to be pre-paid unless prior arrangements are made in writing. In the event credit arrangements are made, outstanding amounts past 30 days from the invoice date will incur an interest rate of 21% per month. Any collection costs for said outstanding amounts will be fully and completely passed on to the dealer.

The most efficient and preferred way to have orders processed in a timely manner is to have a credit card on file with the supplied form. These details are entered into Quick Books and then shredded to ensure your card security. If we do not have the details on file or there is a problem with the supplied details, a link will be provided to pay via ACH or another Credit Card through Quick Books. Orders are not shipped until payment is received within our system.

Freight

All quoted product prices exclude the cost of freight, which is an additional cost to the purchaser. We can provide a freight estimate for each order to ensure you are getting the best rates and will be billed to you at cost price. Or you may elect to use your own freight company in which instance we will supply the order size, weight and pick up details as required. All orders will be filled using a specific skid to match the order in an effort to avoid freight damage. **Freight damage:** The consignee must be present to accept delivery. We must be notified of any freight damage inside of 24 hours of delivery and we require images of how the package arrived and a description of the claimed damage. DO NOT open a damaged package unless requested to do so. Please note: we can only handle freight damage claims when shipped via our carrier.

Drop Ship Orders

Drop ship orders are welcome and do not incur additional costs. Please send all orders via email to dealer@grasshoppertradingco.com. Please ensure the following information is included for each order:

- Name
- Address
- Phone
- Email
- Is it a residential address?
- Is there a fork lift?
- Is a lift gate required?

MAP Pricing and Pricing Structure

You will note that our MSRP and MAP prices are the same. Our MAP policy is designed to protect your margin and we will suspend accounts that violate that policy by cancelling all orders for a period of 2 weeks at the first offence. Second offences will terminate our partnership. We reserve the right to lower MAP on certain product from time to time and will inform you if this is the case. Special pricing will only apply to new orders and will not be retrospective.

Please indicate the appropriate discount level for your account:

BRONZE	SILVER	GOLD
MSRP/MAP less 15% Plus shipping	MSRP/MAP less 25% Plus shipping	MSRP/MAP less 35% Plus shipping
Bronze pricing is available to all new qualifying accounts and is the default discount if no other targets have been met at time of invoicing. To retain an open account the annual spend needs to be \$3,000 or more. Accounts not reaching this target will be automatically closed at the end of the calendar year.	Silver pricing will be made available once an account has spent over \$5,000 for the calendar year and the discount will be applied to all orders placed after that target has been reached.	Gold pricing will be offered to accounts with a \$3,000 opening order and has an annual spend of \$15,000 or more. This will be monitored monthly and the account will need to make regular purchases on average of \$1,000 per month to retain this level. Any dealer can achieve this level once the \$15,000 target has been reached in any given calendar year and purchase frequency is maintained.
