SHOP/JOBBER/ECOMMERCE – HERES HOW THE REBATE WORKS

- 1: Shop/Jobber/Ecommerce** Sell your retail customer 4 Skyjacker® Hydro, Nitro, Black MAX Shocks or 4 M95 Monotube shocks during the rebate promotion period (March 1st through May 31st).
- 2:** Give your customer their receipt clearly showing the 4 shock purchase (or a lift kit part# that includes 4 shocks).
- 3:** Tell your customer to fill out the rebate redemption form on our website skyjacker.com/shockrebate.
- 4:** That's all you need to do. There is no waiting for months to be reimbursed for a free shock that you gave away, no paperwork for you to fill out. You sell your customer 4 shocks (not 3), and the \$35.00 or \$55.00 cash back is sent directly from Skyjacker® to the consumer.
- 5:** If you are installing these shocks, please remember to save the boxes and give them to your customer. They will need the flaps from all of the boxes showing the UPC symbol and part number to redeem their \$35.00 or \$55.00 rebate.

HERE'S HOW THE RETAIL CONSUMER REDEEM'S THEIR \$35.00 OR \$55.00 REBATE

Your customer simply completes the rebate form on our website at the following link skyjacker.com/shockrebate, uploads a clean clear picture of the original receipt and the 4 part numbers with UPC symbols (found on shock box end flaps). Skyjacker® will send a check to the consumer for \$35.00 or \$55.00 based on what they purchased. Rebate submissions must be completed by June 30. Offer is limited to consumers only with one rebate per person or household. Rebate check will be issued to original purchaser only. Please allow 6-8 weeks for receipt of rebate check.
